

# Network for Development of Higher Education Management Systems (DEHEMS)

Gabriela Grotkowska  
University of Warsaw

2<sup>nd</sup> DEHEMS International Conference  
**Employability of Graduates & Higher Education Management Systems**  
University of Ljubljana, Slovenia  
27 - 28 September 2012

*DEHEMS project has been funded with support from the European Commission. This communication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.*

# DEHEMS Project

- **Network for Development of Higher Education Management Systems**
- Erasmus Network Project (LLL)
- Duration : October 2009 – September 2012
- More than 20 researchers from 6 countries directly involved
- Key output: Final Report

# Research questions of the DEHEMS project

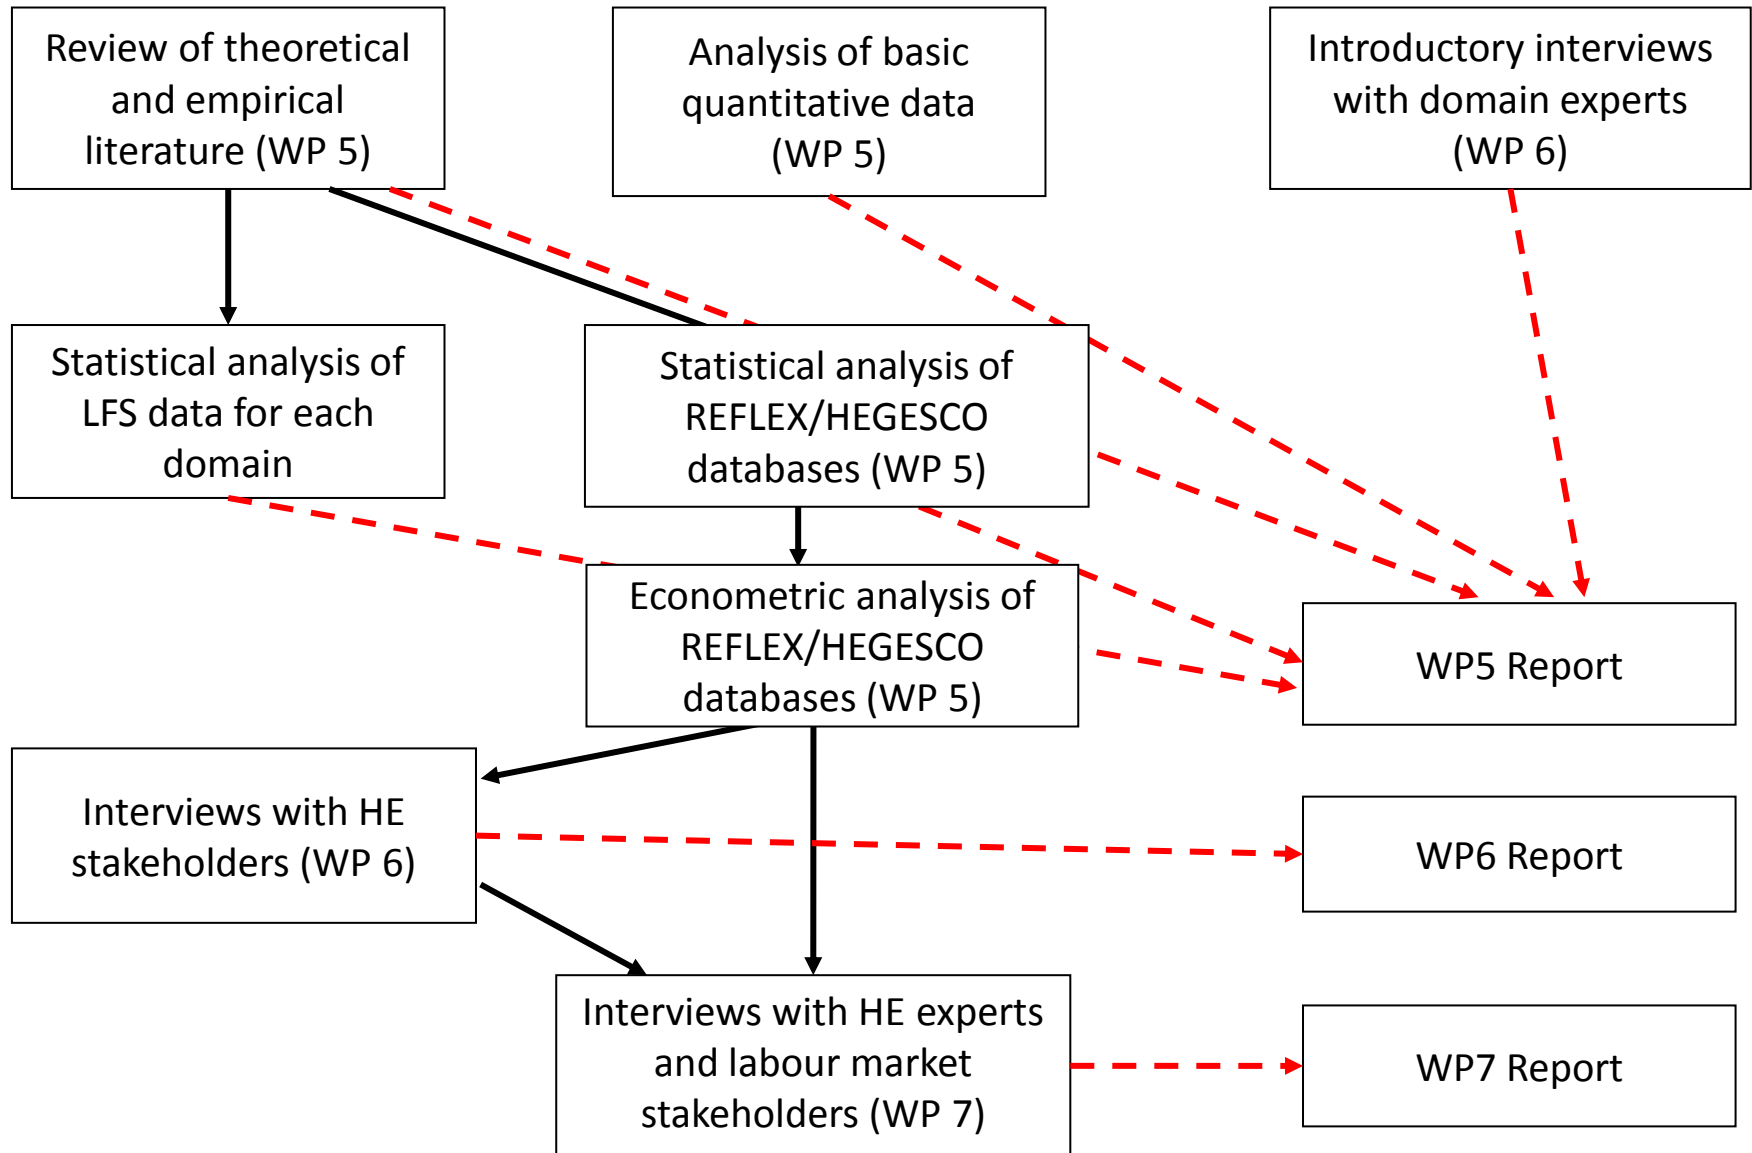

- What are determinants of graduates early career success?
- How does Higher Education management take into account employability data and surveys?
- How Higher Education management should/could them take into account ? How much is and should be „evidence driven?“

**Study  
domains'  
perspective**

# Study domain definitions used in the DEHEMS project

AREA:	Vocational Orientation		Academic Orientation
	Unregulated Domain	Regulated Domain
